

REMARKS

In response to the final Office action dated 20 January 2010 and the Advisory action dated 12 May 2010, reconsideration is respectfully requested of the application in view of the claim amendments proposed herein.

This response, Applicant's second response to the 20 January 2010 final Office action, is being filed electronically via the Office's Electronic Filing System (EFS).

Time Extension Petition: In accordance with 37 CFR 1.136(a) and 37 CFR 1.17(a), the Office is respectfully requested to extend the time period for filing a response to the 20 January 2010 final Office action, and to charge, for a **one-month extension of time**, the fee of **\$130** to **Deposit Account No. 50-0958**. The Office is respectfully requested to charge any other required fee, and to credit any overpayment, to the same **Deposit Account No. 50-0958**.

Similarly as proposed by Applicant's response filed 20 April 2010, this response proposes amendments to claims 1, 15, 32, 33, and 34. The instant response proposes amended claims 1, 15, 32, and 33 that are identical to the amended claims 1, 15, 32, and 33 proposed by the response filed 20 April 2010. However, the amended claim 34 proposed by the instant response differs from the amended claim 34 proposed by the response filed 20 April 2010.

Amended claim 34 as proposed herein is directed to a system, and is believed by Applicant to be concordant with the Advisory action's commentary. Applicant adopts the language framework that the Examiner suggests, by way of example, for amending claim 34 so as to be directed to a system. Claim 34 herein recites a system comprising one or more computers configured to execute computer program logic that when executed causes the one or more computers to [perform recited acts].

In consideration of the claim amendments herein, Applicant respectfully requests allowance, as appropriate, of claims 1, 15, and 21-38 as presented herein.

Applicant sincerely appreciates the continued courtesy of Examiner Feeney in this matter. The undersigned respectfully invites a telephone call from Examiner Feeney if there are any questions in this matter that may lend themselves to telephonic resolution.

Respectfully submitted,

/Howard Kaiser/	13 May 2010
